

From the Desk of: The Ranger

SMOKING POLICY AT CAMP WAKPOMINEE

1. There will be no smoking in any buildings or at any entrance or exit of any buildings.
2. There will be no smoking in front of any campers.
3. There will be no smoking around or near gas, propane, or any other flammable liquids.
4. There will be no smoking by anyone under the age of 18 on camp property.

SMOKING IS ALLOWED IN DESIGNATED AREAS ONLY

DRINKING WATER

Potable water is available at Gelder Hall only.

Note to Friday Night Arrivers: Bring enough water with you for Friday night! It's a lot easier to get water in the daylight and when the line is short!

OUTDOOR CAMPFIRES

Use existing fire pits and fire rings only.

PLEASE CLEAN UP YOUR CAMPFIRE AREAS before you leave Camp!! Remove garbage, foil, plastic, etc. and "pack it out". Stack charred wood beside the fire ring for the next user. Leave the area better than you found it...

SELECT A SAFE CAMPSITE

Select your campsite carefully. Use caution when camping under trees. Check for ice and weak limbs. Don't set up your tent under a widow-maker!

VEHICLE PARKING

Park in one of the three visitor/camper parking lots only. **DO NOT PARK ALONG SLY POND ROAD.** If necessary, staff will line cars up on one side of the entrance up to the visitor parking lot.
